

Mi aiuti?

Un uomo

e un frate

parlano.

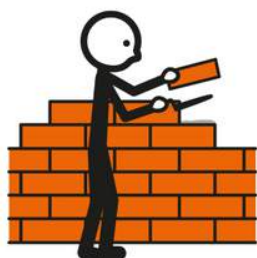

Frate Francesco

chiede

a Giovanni

di costruire insieme

il Presepe.

Giovanni

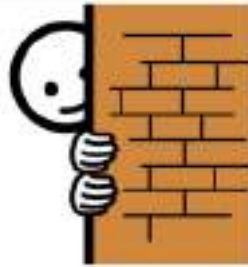

dice di sì.

Gli animali del bosco

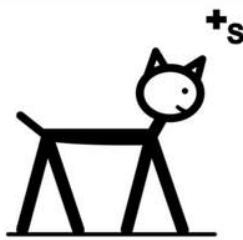

Nel bosco

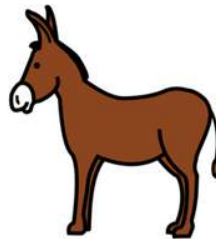

si nascondono

4

4

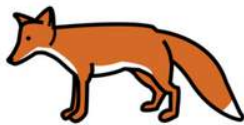

animali:

Asino,

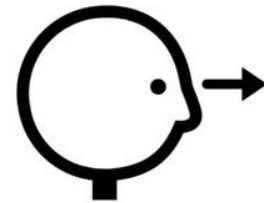

Corvo,

Volpe e

Lupo.

Vedono

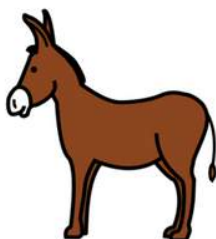

Giovanni.

Giovanni

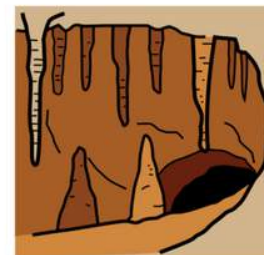

chiede

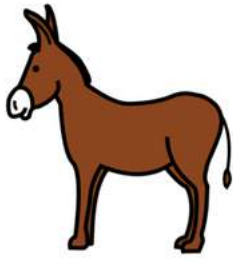

ad Asino

?

dov'è

una grotta.

Asino

accompagna

Giovanni

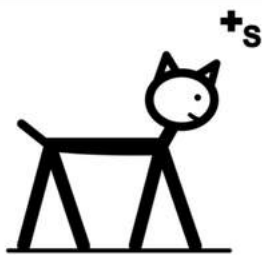

alla grotta

dove vivono

i 4

animali.

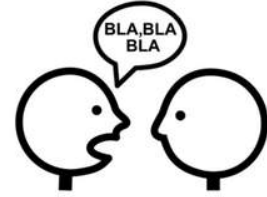

Giovanni è buono?

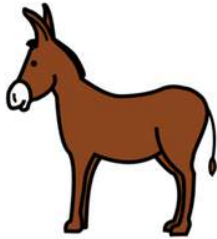

Gli altri animali

sentono

le parole

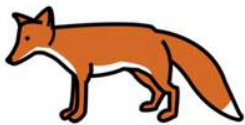

di Asino,

ma hanno paura

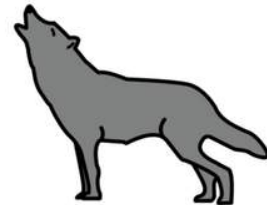

degli uomini.

Volpe

vuole mostrare

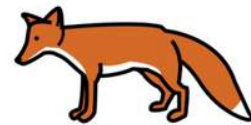

a Lupo

che Giovanni

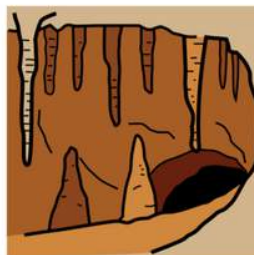

è buono.

Volpe

va

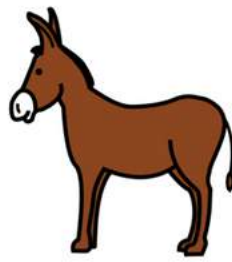

alla grotta

e fa finta di stare male

Giovanni

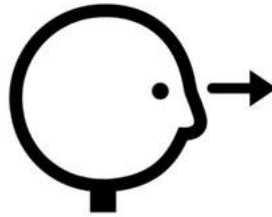

e Asino

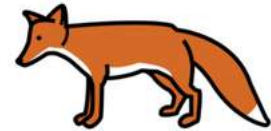

arrivano

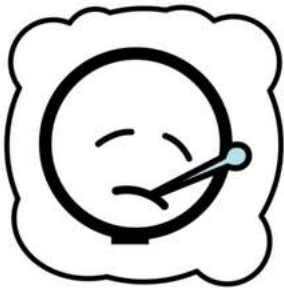

alla grotta

e vedono

Volpe

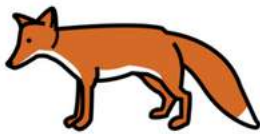

che sta male.

Giovanni allora

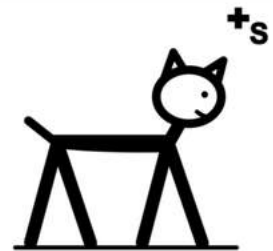

abbraccia

Volpe

per farla stare meglio.

Gli animali

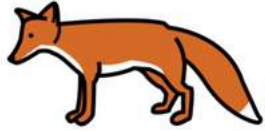

capiscono

che Giovanni

è buono.

Volpe

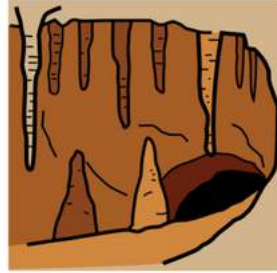

vuole aiutare

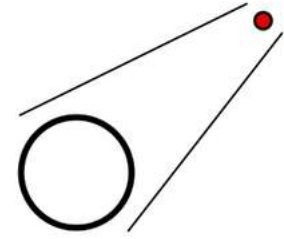

Giovanni

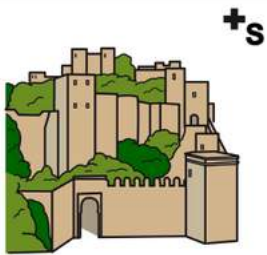

con il Presepe.

La grotta

è lontana

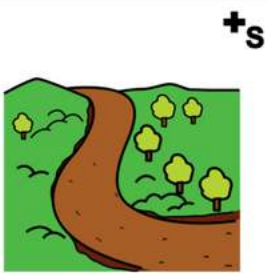

dalla città

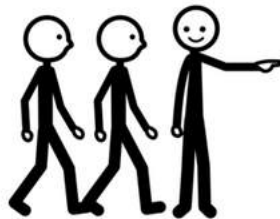

e Giovanni

vuole costruire

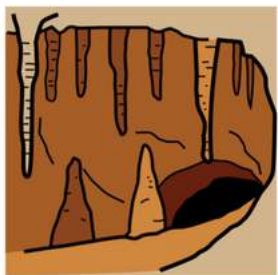

una strada

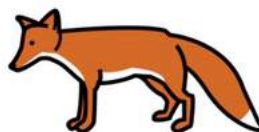

per far arrivare

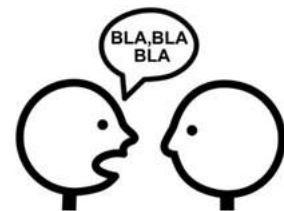

le persone

alla grotta.

Allora Volpe

chiama

Corvo

per farsi aiutare

a costruire

la strada.

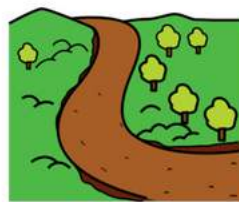

Corvo

e altri uccelli

costruiscono

la strada

con i sassi.

Giovanni

ringrazia

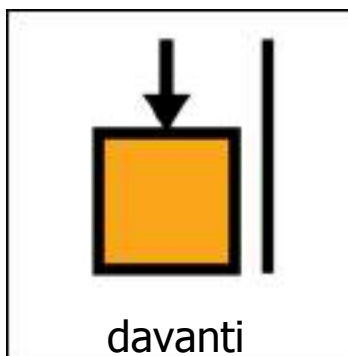

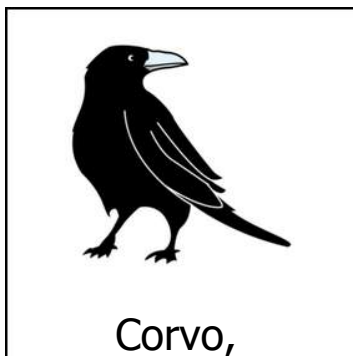

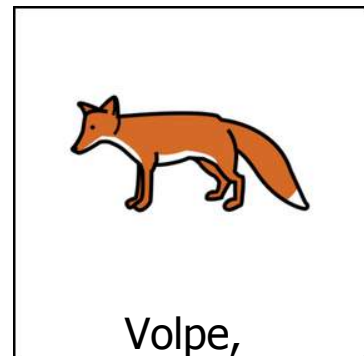

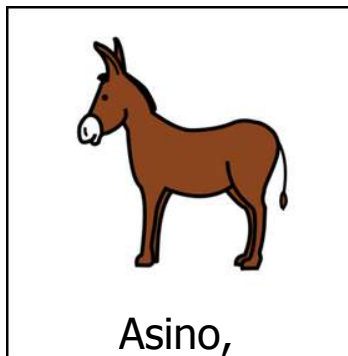

Corvo

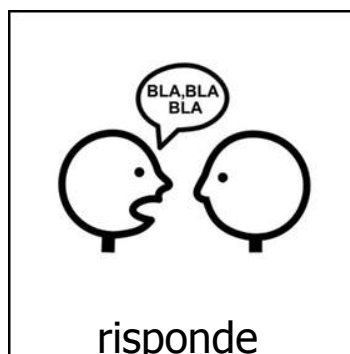

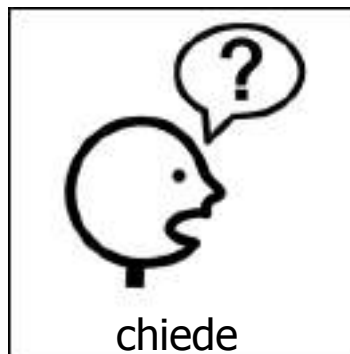

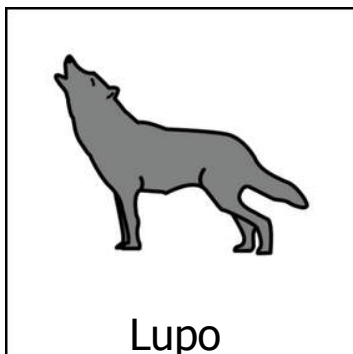

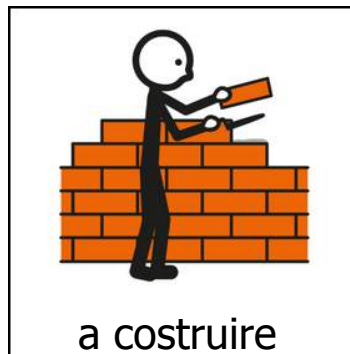

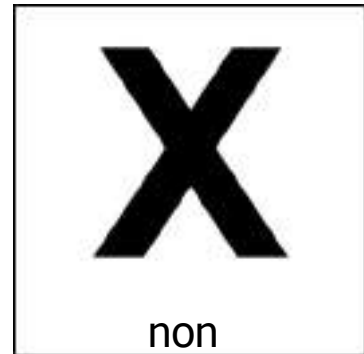

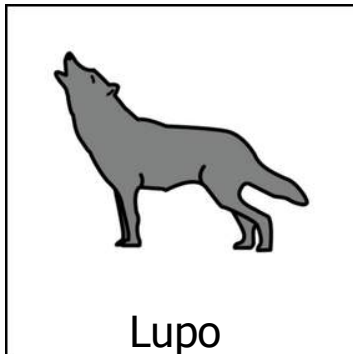

per l'aiuto.

Il presepe

Il regalo di Lupo

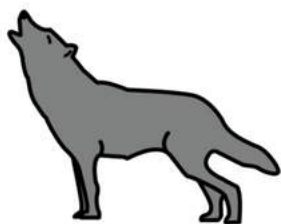

che per Gesù

il regalo

più bello

è che Lupo

sia suo amico.
